MOTION TO IMPOUND INDICTMENT

The United States of America, by and through its attorneys, William M. McSwain, United States Attorney for the Eastern District of Pennsylvania, and Megan Curran, Special Assistant United States Attorney for the District, moves to impound the within documents and in support of its Motion states as follows:

1. The within indictment, and accompanying docket papers, are documents which, if made public would jeopardize the government's interest in protecting ongoing criminal investigation and protecting against the risk of the defendant fleeing prior to arrest in this matter.
2. Although the public has a common law right of access to judicial proceedings and papers, matters relating to protecting an ongoing criminal investigation and protecting against the defendant fleeing prior to arrest, are traditionally conducted ex parte and in camera, with deference to the government's determination that the information should be sealed.
3. Accordingly, balancing the public's right of access to judicial documents with the government's interest in not jeopardizing ongoing criminal investigation and in protecting against the risk of the defendant fleeing prior to arrest in this matter, the government respectfully requests that the government's Motion be GRANTED. The government further requests that the Clerk of Court be directed to make no public docket entry of the sealed

documents and motion and order to seal, and to provide copies of all sealed documents only to Megan Curran, Special Assistant United States Attorney. It is further requested that the indictment shall be unimpounded upon notice of the United States Attorney that the defendant has been arrested.

Respectfully submitted,

WILLIAM M. McSWAIN
United States Attorney

MEGAN CURRAN
Special Assistant United States Attorney
